

Shop Mechanic

GridLock Traffic Systems, Inc. is a road construction company specializing in traffic control which includes the installation and removal of construction signs, barrels, barricades and road striping.

Employment type: **full-time**

Current Motor Vehicle Record is required with application - good driving record is mandatory with For Hire endorsement

Position Summary:

We are seeking a skilled Mechanic to join our team. The Mechanic will be responsible for inspecting, diagnosing, and repairing various vehicles and equipment vehicles, including road striping trucks, road striping removal trucks, a variety of other "traffic control" specialty equipment to maximize productive operations. The ideal candidate will have a strong mechanical aptitude, attention to detail, and the ability to work independently.

Duties:

- Inspect, diagnose and repair mechanical, hydraulic and electrical problems on all company vehicles and equipment
- Perform routine preventative maintenance and repair on all company vehicles and equipment
- Responsible for accuracy on all paperwork, including equipment repair/maintenance documentation; work orders, timesheets etc.
- Understand and adhere to Company policies, procedures, rules and regulations
- All other duties as assigned

Experience:

- 1-3 years mechanical experience with construction equipment or related Fleet equipment
- Technical educational background in diesel mechanic or related area
- Proficient computer skills
- Current Class A CDL is preferred, but not required
- Perform other related duties incidental to the work described herein.
- The above statements describe the general nature and level of work being performed by individuals assigned to this classification.
- This is not intended to be an exhaustive list of all responsibilities and duties required of personnel so classified.

If you are a skilled Mechanic looking for a challenging opportunity with room for growth, we encourage you to apply.

We offer competitive pay, benefits, and a supportive work environment.
